All absences (excused and unexcused) from SOAR Sessions will result in reduced compensation per session unless otherwise stated by Professional Staff. OCs will be responsible for all information missed. Unexcused tardiness or absences may result in a verbal warning, written warning, reduction of pay, or termination.

L. **Fraternity and Sorority Disaffiliation**
Orientation Counselors who are affiliated with a fraternity or sorority organization will be required to disaffiliate from approximately June 1, 2022 to July 31, 2022 and during all orientation sessions, which includes sessions that occur in August, November/December, and January. During this time, they will not be allowed to wear or display their letters on their person or on accessories or materials used during the orientation program. OCs will refrain from consuming alcoholic beverages or any illegal substances during all orientation sessions and training or related activities, including the training workshops and when specifically representing UNC Charlotte. OCs must abide by all University policies as stated in The Code of Student Responsibility and The Code of Student Academic Integrity, the Orientation Counselor Employment Agreement, and all Housing rules and regulations (if living on campus) at all times throughout tenure as an Orientation Counselor. OCs may not have romantic relationships with any orientation participants, nor can they invite them to or be present with them at any social gathering where alcohol is involved. Any Orientation Counselor is subject to disciplinary action by the Office of New Student & Family Services, Housing & Residence Life, or the University and may be removed from the Orientation Counselor position. Failure to comply with any of these conditions, including but not limited to engaging in conduct that is deemed inappropriate by New Student & Family Services, may result in immediate termination from the Orientation Counselor position, in the sole and reasonable discretion of the Assistant Directors, Associate Director, or Director of New Student & Family Services.

Additionally, Orientation Counselors are responsible for being professional representatives of the UNC Charlotte community. During their contracted time, OCs are required to showcase appropriate behavior through virtual training, meetings, social media posts, etc.

N. **SOAR Student Coordinators and Graduate Assistants**
The SOAR Student Coordinators and Graduate Assistants/NODA Interns work with the New Student & Family Services staff in different aspects of the orientation program. They will assist with OC selection and training, provide leadership for the Orientation Counselors, and serve as members of the Leadership Team. There will be Graduate Assistants and/or Graduate NODA Interns who work with the orientation program. All positions will provide leadership for the OCs and will be responsible for assigning duties to Orientation Counselors.

O. **Other Student Leadership Positions**
Due to the orientation requirements, OCs will not be permitted to be actively involved and/or employed with any organization that requires participation, training programs, or responsibilities that interfere with the orientation
program. Because of this, Orientation Counselors are not eligible to apply for the Resident Advisor, SAFE Counselor, and UTOP mentor position for the 2022-2023 academic year. OCs may be ineligible for other positions and should confirm with the Leadership Team prior to accepting the position. Additionally, OCs should let Professional Staff know of any on-campus employment during the academic year that might conflict with OC obligations, as it may have an impact on student pay and hours worked.

By signing below, I am certifying that I have read, understood, and agree to all the included information and terms of employment with New Student & Family Services (including what is listed below in the Virtual Addendum). I understand that violation of said agreement could result in a verbal warning, reduction in pay, or termination.
